**Easy access to a single-source solution is a priority at ProAssurance Agency—that's only fair.**

# Total Practice PROTECTION®

- Business Owners Coverage**
  - Property Coverage – Covers your building and business personal property, including computer equipment and more
  - General Liability Coverage – Protects you against claims for damages because of bodily injury or property damage to others resulting from your business operations
- Medefense/Regulatory Risk**
  - Coverage for attorney and audit costs incurred in response to actions or proceedings from RAC audit findings, as well as payments for potential fines and penalties
  - Provides defense costs, civil fines, and penalties coverage for HIPAA, Stark, and EMTALA proceedings
- Workers' Compensation Coverage**
  - Coverage for an accident or occupational disease resulting from a job-related incident
  - Laws vary from state to state
  - You as the owner/officer of the practice can opt to be included or excluded from coverage
- Cyber Liability**
  - Protects your practice against loss, defense costs, and data recovery costs relating to network security wrongful acts, governmental investigation, data recovery, and patient notification/credit monitoring
- Employment Practice Liability**
  - Covers wrongful acts arising from employment related claims such as wrongful termination, discrimination, and sexual harassment
- Management Liability**
  - Larger practices may also consider coverages such as Directors & Officers (D&O), Fidelity (Crime), and Fiduciary Liability
