

ProControlSM

ProControl is a flexible risk financing program with deductible, risk sharing, and claims management options for physician groups, hospitals, and health systems.

ProControl provides risk sharing solutions for physician groups and healthcare entities that have outgrown first dollar healthcare professional liability coverage and are ready to assume more risk. Customized to your practice or facility's unique needs, ProControl delivers unprecedented control as well as transparency and savings.

Why is ProControl ideal for physician groups, hospitals, and healthcare systems?

- Customized solutions for healthcare organizations that are growing, merging or rethinking their coverage
- Alignment with your objectives, systems, and appetite for risk
- Protection, consultation, and service optimized for your situation
- "Demand to Settle" claims provision according to policy language (where allowed by state)
- Financial rewards for favorable loss experience
- More control without the expense and commitment of a fully self-funded program

Designed for Your Organization's Unique Needs

ProControl's flexible options make it easier for your group, hospital, or health system to share risk. When multiple entities are involved—many times they have different risk financing programs for their professional liability needs—ProControl can work seamlessly to incorporate all these programs into one.

Choose ProControl—Contact your ProAssurance agent for ProControl solutions and quotes.

For an agent near you, visit ProAssurance.com or call 800-282-6242.

We also can create a new program to address your combined exposures effectively and fairly with solutions that include joint hospital/physician liability coverage.

Strong Protection, Fairly Priced

Your funding choices include:

- Deductible choices to save you premium dollars
- Reinsurance levels to help stabilize your risk
- "Demand to Settle" (per policy and where allowed by state) lets you specify how claims will be managed.
- A full range of risk mitigation services to augment your internal professionals' expertise
- Retrospective rating for financial benefit with good loss experience

Right-Sized for Growth

Many growing organizations choose ProControl for greater control without the risk and complexity of fully self-funded programs, such as third-party administrators, reinsurance contracts, or offshore captives. ProControl adapts as your organization grows, making it an excellent choice for organizations that want to try risk sharing, adjust their program over time, or eventually move to self-funding.

At Your Service

Our experts can help you choose the right program for your professional liability risks. ProAssurance is an industry leader with decades of experience in healthcare professional liability insurance for physicians, facilities, hospitals, and health systems. We pledge to treat you fairly.
