Important Notice About the Policy of Insurance for Which You Have Applied

This Document Affects Your Legal Rights

Read the Following Information Carefully

- 1. The policy for which you have applied includes a binding arbitration agreement.
- 2. The arbitration agreement requires that any disagreement related to this policy must be resolved by arbitration and not in a court of law.
- 3. The results of the arbitration are final and binding on you and the insurance company.
- 4. In an arbitration, an arbitrator, who is an independent, neutral party, gives a decision after hearing the positions of the parties.
- 5. When you accept this insurance policy you agree to resolve any disagreement related to the policy by binding arbitration instead of a trial in court including a trial by jury.
- 6. Arbitration takes the place of resolving disputes by a judge and jury and the decision of the arbitrator cannot be reviewed in court by a judge and jury.

Acknowledgement of Arbitration Agreement

I have read this statement. I understand that I am voluntarily surrendering my right to have any disagreement between the insurance company and myself resolved in court. This means I am waiving my right to a trial by jury.

I understand that upon receipt of the policy I should read the arbitration clause contained in the policy and that I have the right to reject this policy within three (3) days of the date of delivery if I do not want to accept the requirement for arbitration.
